

How will you
spend your **\$160**
gas+electricity
discount?

FlyBuys

Our DualEnergy™ discount means new and existing customers who combine their gas (natural gas or Rockgas LPG) and electricity with us will receive a discount of 40 cents a day – that's over \$160 incl GST every year. We're also the only energy company that rewards customers with Fly Buys on natural gas and electricity.

Call us on 0800 401 239 or visit www.contactenergy.co.nz to find out how we can **make the difference to your energy bills.**

The DualEnergy™ discount is effective 1 May 2009 and applies to accounts at the same property. The DualEnergy™ discount is not available for residential PrePower accounts or Time of Use business accounts. 40 cents per day excludes GST. Fly Buys not available on business accounts or Rockgas LPG.
