

INTRODUCING NEW NINTENDO DSi.

There are all sorts of fun and useful features on the new Nintendo DSi that everybody can enjoy. Take and store photos, create a photo diary, store and play music, and browse the web! And you can still play all your favourite Nintendo DS games too.

NINTENDO DSi CAME

Use your built-in camera to take photos, and create a photo diary to keep a visual record of your favourite people and places.

NINTENDO DSi SOUND

Lots of new features that allow you to record, store and playback sound; ideal for learning a language or recording the kids.

NINTENDO DSi SHOP

Take the internet with you! Browse online and visit the Nintendo DSi Shop to buy exclusive new games and applications.
